

## GOSPORT ROAD RUNNERS 1.7. 1983 to 1993.

### The First Ten Years.

1.

When you have been around as long as Gosport Road Runners, twenty three years so far with I am sure many more to come. It is time somebody recorded their history. This is something I have been contemplating for a few years and now seems to be as good a time as any.

I hope if any members past or present ever read this, it will bring back the sense and pleasure of achievement once attained and memories of fellow runners in some cases long forgotten also friendships cemented over the years by there passion for running.

It will I hope record the contribution that runners have made to keep the club going over the years that this record covers and also the significant events that have gone to making it the respected club it has become in the running world. It has also helped to put Gosport on the map a good many people who I came across in my travels on holidays and as part of the Royal Naval Reserve who when they saw me out running in the Gosport vest thought I was from Northumberland or that we were a suburb of Portsmouth. Now (2007) we have been spotted in places as far apart as Australia, America, Canada, Malaya, The Falklands, North Africa, South Africa and probably in every county from Lands End to John O Groats. At the time of writing this we have members from Uganda, America and South Africa and others serving in Afghanistan, The Falklands and Iraq.

The club previously Gosport Joggers was formed in 1983 by Hugh Pritchard who then ran it as President with volunteers from the membership covering the every day running of the club. As more and more runners joined the club it was decided to form a committee to share the ever increasing work load.

1986. Committee formed. Most of the information in this history is from then as prior to that there were few newsletters and information was sketchy to say the least. I am contacting past members to see if any still have documents, cuttings etc from this period but most of them didn't keep them. Those whose help knowledge and advice have been invaluable will be listed if I ever reach the end, although if you look at the title there will hopefully never be an ending and Gosport Road Runners will still be around for a long time to come and who knows there may be a runner in the club who will want to record the ongoing years.

I have used the date in the title as it is the date the clubs first constitution was drawn up,

See next item.

2.

GOSPORT RUNNERS CLUB.

CONSTITUTION.

1. The name of the club shall be GOSPORT ROAD RUNNERS.

2. The objective of the club is to promote Amateur Athletics & Road Running.

3, The officers of the club shall be the President who will chair the A.G.M.

the Chairman who will chair all other meetings and be ex officio member of all sub committees, the Hon. General Secretary who will be responsible for all sub committees, and the Hon. Treasurer who will be responsible for all finance.

There will be a minimum of 4 ordinary members of the executive committee. In order to provide continuity one half of the committee will retire each year but all are eligible for re-election.

4. The day to day management of the club shall be the responsibility of the General Purposes Sub committee consisting of the Chairman, the Hon. General Secretary, the Hon, Treasurer and one other committee member elected by the Executive Committee. Decisions of the G.P. sub shall be reported to the Executive at the next meeting.

5. Voting at General and committee meetings shall be a show of hands unless a card vote is demanded by at least two members. Decisions shall be by a simple majority of those present and voting. In the event of a tie the chairman of the meeting shall have a second and casting vote.

The quorum at an Executive meeting shall be one officer and three members, at a General meeting twenty members.

6. Membership of the club is confined to amateurs as defined by the Amateur Athletic Association, as follows:- An Amateur is one who has never competed for a money prize or monetary consideration in athletics sports or games or races or in anyway been interested in a staked bet or wager made in connection with any athletic competition in which he or she was an entrant or competitor; who has never engaged in, assisted in or taught any athletic exercise for pecuniary consideration or in any way exploited his athletic ability for profit; and who has never taken part in any athletic competition with anyone who is not an amateur or such other definition set out by the AAA from time to time.

A candidate for membership must apply in writing and be elected by a majority vote of the Executive committee or the relevant sub committee.

7. Resignation shall be in writing to the Hon. General Secretary but members subscription shall be deemed due if resignation has not been advised by 1st March in respect of the current year commencing 1st September.

8. The annual subscription shall be payable on election in the sum set by the A.G.M. from time to time.

9. The committee shall have the power to expel any member whose subscription is six months in arrears provided a month's notice in writing shall have been sent to a member by recorded delivery letter, addressed to his last known address informing him of the proposed action by the Committee. The Southern Counties AAA shall be informed of any such expulsion and record the information in the Black Book. Any such person shall be suspended from competing in any meeting held under AAA laws until the liability causing his/her said suspension shall have been discharged.

Arrears of subscription means ineligibility for club competition or representation.

10. The A.G.M. shall be held in September each year with 21 days notice to members.

Special meeting can be called by the Chairman or the Executive Committee or by members requisition, similarly 21 days notice should be given. A special meeting must be notified to the members by the Secretary within 14 days of a requisition in writing being received, signed by a minimum of 20 paid up members stating the business to be discussed, which must be set out on the notice of the meeting.

11. The club colors shall be blue and white and the club badge shall incorporate a "Road Runners" bird motif. The club vest shall have a blue top with a white mesh lower half. The words "Gosport R R" shall be printed on both sides with the club badge set between the R R on the front.

12. Alterations or additions to the rules may only be made at an A.G.M. and notice of any proposed amendment must be set out in the notice of the meeting giving the text of such

amendment. Alterations of the objective clause of these rules shall require a two thirds majority of paid up members present and voting.

Rules 6 and 8 cannot be amended without consultation with and permission from the AAA.

All other rules may be amended by simple majority.

Isle of Man 40 Miles (The TT Course).

44th Anthony Powell 6:27:00. 48 finishers out of 53 starters (looking for 5:55:00 the qualifying time for The London to Brighton 53.5m)

29.7.1984. Speedy as he was known to his fellow runners had another go in the Woodford to Southend 40 miles (The hottest day of the year) didn't make it that time. Then on 25th August he ran the Scottish Two Bridges 36.2 in 5:12:00 (A qualifier). Then to prove it was no fluke six days later he did the SLH (South London Harriers) 30. Again in a qualifier. He then ran the London to Brighton 53.5m in 7:56:00.

27.1.1985. M 25 Motorway '10'.

A unique event organized jointly by Epsom and Ewell Harriers and Leatherhead Lions Club to give athletes the opportunity of racing on one of Britain's new Motorways.

Needless to say this is a one off as the M 25 opened in 1985.

1285th Howard Baldwin 1:15:54, 1328th Gordon Knight 1:16:33 (Vet over 50).

1882nd Paul Kirkham 1:26:30. 2025th Terry Weston 1:31:15. 2269th Finishers.

Not only was this race unique but Howard, Terry and Gordon must be the first people to park on the M 25 as their car had a puncture, so they parked on the hard shoulder and ran to the start.

Newsletter 16.1.1986.

COMMITTEE.

Following the recent item in the Newsletter asking for new ideas (with volunteers) it has been suggested that a formal meeting be called to elect people to fill the miscellaneous posts in the club which are now being done on an ad hoc basis. The individuals appointed would then be seen

to have a constitutional authority to carry out those duties and be directly responsible for the way they are carried out. The meeting will be held on Monday 3rd March at the Gosport Football Club HQ in Privett Road, commencing at 8 pm. to allow time for everyone to arrive.

The outcome of this meeting resulted in the forming of the first full time committee for Gosport Road Runners.

The Jane Barton Plate is a silver salver donated by two members who are returning to U.S.A. Carolyn Hahn and Lt Cmdr Rick Hahn U.S. Navy for competition by ladies.

The Ron Crane Cup will in future be used for men.

Both awards will be for the most improved performer during the 12 months 1st September to 31st August.

Glenys Smith a member who has moved to Scotland donated a trophy for the best outright performance during the previous 16 months by a lady novice (i.e who had not raced before joining the club)

1986. An approach was made by Fareham Athletic to see if there was a basis for amalgamation / federation. The offer was rejected at the A.G.M. (October) by an overwhelming majority as the members felt it was more like a take over with Fareham getting all the benefits. By the end of the eighties Fareham Athletic were no more.

1986. Sunday 16th November. The first Barter & Huggett Sails Limited Gosport Half Marathon. It was estimated that on the day a work force of 200 would be needed and Gosport Road Runners could only participate if they could provide a substitute.

Note: Although the idea was sound it didn't always work as some members would turn up with ancient relatives or children who we couldn't use out on the roads. A good many of us have always been under the opinion that races should be marshaled by runners.

6.10.1986. AGM.

Amendments to Rules and Constitution.

Rule 3 – delete ``in order to provide continuity half of the committee will retire each year but are also eligible for re-election.``

Rule 8 – delete ``from time to time``

Rule 11 – delete details of club colors and badge and substitute replacements (yellow top half and white lower half).

The meeting decided in response to the suggestion that non committee posts of vice-captain should be made was rejected.

3.12.1986. Honorary membership to be presented to Roger Black.

Membership Subscriptions for 1986 / 1987. Individual three pounds. Joint five pounds.

GOSPORT ON THE MAP (From the local press).

I've just got to bring to your notice the first Gosport Half. Magnificent! Bravo Gosport Roadrunners for a great race. I arrived at the start with the wind lashing waves over the road along the sea front. We set off on a very flat, well marshalled course, with a very large entry for a first event. On arriving at the finish, soaking wet and tired, we were welcomed by some equally wet but cheerful ladies with drinks. Then into the changing rooms for showers. A good long look in the changing rooms at a most unusual but great medal. Then back home to tell my running mates who couldn't go what a marvelous race it was. I shall definitely be back next year. The 130 mile drive was well worth it.

Mr P Walthen Redditch

On the morning of the race a gas leak was reported in Rowner road (part of the route). In those days the police were far more approachable, a diversion was organised and the race went ahead.

27.9.1987. Brighton 6 Mile.

Gordon Knight 42:52 (Vet over 50).

1987. The year of the great vest issue. Which caused strong debate and almost resignations. It all started with some members wearing personalized vests not registered with the AAA. A storm in a teacup? It may seem like that now, but it is important for the future of any organization to get things right to start with.

AGM 5.10.1987. 8pm.

This is the amendment proposed. As printed in the newsletter for October 1987.

AMENDMENT TO CLUB RULES.

The following motion proposed by Paul Overton and seconded by Bill Mills reference club vests was approved after much discussion (I am not sure if it was the longest AGM in our history but it

certainly seemed like it) by 44 to 22 votes (It could well have been the highest attended one as well). (A suggestion after the vote that the rule required a 2/3rd majority was later realized to be incorrect. As you can see if you refer to the full rule 12.

Only rule 2 (the objective clause) requires a 2/3rd majority.

Additional rule 11a.

All members entering AAA permitted events as members of Gosport Road Runners Club.

Shall wear the club vest registered with the AAA and as designated in rule 11. Any member in controvention of this rule shall be automatically suspended from all activities of the club and the AAA and race secretaries shall be informed. The executive committee shall have the power to expel such person in accordance with the procedure laid down in rule 9.

Note. The procedure refers to 21 days notice, recorded delivery letters, S.C. AAA etc.

The purpose of this new rule 11a is to provide a method to ensure conformity with club rules by people wishing to have the benefits of membership.

People joining or remaining members of the club now have the main options when running in AAA permitted races.

1. Wear the club vest (Ron Hill) sold by the club.
2. Wear a vest – possibly by another supplier that conforms exactly to the description plain yellow top with the letters GOSPORT in blue back and front and mesh or plain lower half. R R
3. Compete as an unaffiliated runner in any sort of vest.

Wearing the registered vest ensures the team is never disqualified, helps club recorders at races and provides a focus for members and spectators (particulary as the name on the back is not usually covered by a number).

The committee agreed that a moratorium would apply for members who had applied for races prior to the AGM: ie they could wear non club vests for those races without prejudice.

1991(March). Personality of the Month. Andreas Galandi.

I have been a “Gosportweltraumroadjogger” for about 5 months. My home club is the “Weltraumjogger Berlin e.V.” (Spacejogger Berlin). This is a small but very funny triathlon club with about 50 members. Although I’m glad that I’m now a Gosport Road Runner as well. I had a really good time here in Gosport, did some good events and had a lot of fun with my new club.

Now I have to go back to Berlin to continue my study in telecommunications, but I am looking forward to seeing you again at the London Marathon ’92 or maybe in Berlin at a training session with the Weltraumjogger. Thank you so much for a nice time...

My best event in U.K : London Biathlon 1k Swim, 10k Run.

My favourite event in U.K : Hog’s Back Race.

My hardest event in U.K : Weymouth Cross Country.

My biggest successes: Finisher at the Almere “Iron Man-Triathlon ‘89” in Netherland in 11:49:17.

Second place at the Weltraumjogger Club Championships ’90 on my grandma’s bicycle.

Winner at a 40m sprint against “Dr Flinkman” one of the fastest pigs in the world.

(Guinness Book of Records). My prize: A big tin of good beer. Prost!

My craziest event: “the Long Night of Ampuriabrava” 116 mile Bike Race during a training camp in Spain. 6th during the night along the promenade.

My best times: Marathon: 3:04:22 Berlin’90.

25k: 1:36:09 25km de Berlin.

10k: 35:48.

1k: fast.

400m: faster!

100m: 11.6s.

Andreas was our first overseas signing (long before it became popular with soccer clubs)

In his short time with us he represented the club at cross country as well as on the roads proving a great asset and becoming very popular.

1991 Focal point for the clubs fund raising is 3 year old Mark Eaden son of club member Ken Eaden. Mark is suffering from Lymphoma and Ken is looking to raise funds for two appeals associated with Southampton General Hospital. Leukaemia Busters & Wessex Childrens Cancer Unit. Fast forward to 2006. Mark is now a healthy and fit 18 year old who plays squash and beat his dad in the Great South Run. He is now at Southampton University studying civil engineering.

1991 (March). Gosport & Fareham Marathon update. It may now take place in the Autumn or next year.

1991 (March). Personality of the Month. Terry Brown.

PB’s. 5m. 29:19, 10k. 37:08, 10m. 59:50, 13.1m. 1:20:00, 26.2m. 2:55:22.

1991 (May). Personality of the Month. Gordon Knight.

PB's. 10k. 39:50, 10m. 1:08:29, 13.1m. 1:29:38, 26.2m. 3:23:31.

1991 (June) Personality of the Month. Mike Keat (Up until 2006 Mike has been the only wheelchair athlete to be a member of GRR).

PB's. 10k. 34:12, 10m. 1:00:40, 13.1m. 1.17.02. 26.2.

1991 (September) Personality of the Month Irene Watson.

PB's. 10k. 52:11, 10m. 1:27:15, 13.1. 1:59:00, 26.2. 4:46:13.

16.4.1991. Junior Membership.

First meeting to be held under the guidance of Mike Kearney (Qualified Coach) at Gosport Park.

21.5.1991. Move to Brookers Field at the end of Rowner Road for Tuesday & Thursday training nights.

1991. Discussions entered into with John Bishop (Running Plus sports shop and Portsmouth Joggers), Stubbington Green Runners and Fareham A.C., in conjunction with Gosport Road Runners as to the possibility of the clubs organizing a replacement for the Gosport & Fareham Marathon in 1992.

17.7.1991. Inaugural meeting of the consortium set up to organize the new marathon.

Members representing Gosport Road Runners, Dave Little, Mick Wellsted. Stubbington Green Runners Sian Mundy, George Childs, Portsmouth Joggers Roy Thornton, Mike Williams and in the chair (By consent) John Bishop of Running Plus (Also a Portsmouth Jogger). Fareham A.C. declined to take part.

John opened the meeting by thanking GRR for taking the initiative in setting up the meeting.

As printed in the newsletter July/August 1991.

MIKE BARTLET.

Club members were shocked and saddened by the recent death of Mike Bartlett at the age of 28. Mike suffered a heart attack whilst running in Kiln Road Fareham.

Mike joined two years ago and quickly became a popular Club member through his enthusiastic approach and open friendly nature. He was a familiar figure at training nights where his competitive spirit, particularly in the speed sessions which he enjoyed tremendously will be greatly missed.

Mike was no less popular in his job as the local community policeman in the Park gate /Funtley area.

Mike was brother in law of Ken Eaden, and typically Mike and his wife Pamela were generous supporters of Ken's fundraising efforts efforts fot the "Leukaemia Busters".

Our sincere condolences go out to Pamela in her loss.

1991. Committee asks Hugh Pritchard to stand down as President and his membership was suspended until 31st December. This was brought about because of the cancellation of the Gosport & Fareham which a lot of members considered brought the club into disrepute.

7.10.1991. AGM. Which could well have been a pivotal moment in the clubs history.

AGM proposal No1.

Proposed by Dave Little      Seconded by Denise Little.

That the constitution be amended to read:-

‘The position of Club President will be a two year office, year end being the end of the AGM. The choice of Club President will be that of the committee sitting at the meeting prior to the to the AGM at which the current Club President’s term of office ends.

Any current member can be considered for the position including those who have already held the position of Club President.

AGM proposal No2. (If proposal No1 is passed).

Proposed by Dave Little      Seconded by Denise Little.

That the committee sitting at the first meeting after the 1991 AGM elect the Club President for the next two years.

AGM proposal No3.

Proposed by Dave Little      Seconded by Denise Little.

That the Club Secretary be permitted to purchase club vests with the wording ‘GOSPORT R R’ or ‘GOSPORT ROAD RUNNERS’ which ever at the time is the most favourable deal to the club.

AGM proposal No4. (Previous fees three & five pounds ).

Proposed by Sid Smith      Seconded by Mick Wellsted.

That membership fees be raised to five pounds per member or eight pounds for family membership. This to include any Junior members of the Gosport Road Runners.

AGM proposal No5.

Proposed by Shane Walker      Seconded by Chris Kennard.

That the Novices Trophies (Male and Female) be awarded to those members who have made Gosport Road Runners their first registered club, have run in the club colours during that year and are in the first year of membership.

AGM proposal No6.

Proposed by Pete Chilcott      Seconded by Sid Smith.

That the committee have the power to discipline any member who brings the name of Gosport Road Runners into disrepute.

AGM proposal No7.

Proposed by Pete Chilcott      Seconded by Doug Proctor.

That a sub committee be formed after the AGM to look at the existing Constitution and propose amendments if required to the full committee for action.

Results of the seven proposals put forward at the AGM.

No1. Proposal amended to read. That the committee could nominate their choice of President but that the membership at the AGM would elect him/her.

No2. It was decided that the committee sitting at their first meeting after the AGM would nominate their choice of President and an EGM would be called to vote him/her in.

No3. Agreed unanimously.

No4. After lengthy discussion proposal agreed. Although according to the Constitution we should wait until next September to collect the raised fees. It was decided that, because so few members had paid it now anyway, it would be back dated to this September.

No5. Carried unanimously (It clarified the rules for new comers).

No6. Carried.

No7. Carried with an amendment that the Sub-Committee put the proposals to the AGM for action.

A.G.M. 7.10.1991.

It was agreed that the committee would nominate their choice of President but the A.G.M. would elect him / her.

After discussion it was decided that the committee sitting at their first meeting after the A.G.M. would nominate their choice and a E.G.M. would be called to ratify it.

After much discussion membership fees were raised to five pounds single , eight pounds for family membership. Although according to the constitution we should wait until next September to implement the rise. It was decided to back date it to this September as so few members had paid up.

The committee stated that, according to the Constitution their powers were extremely restricted.

Members agreed that it was time the constitution was put into plain language and it was an ideal time to do this. It was agreed that the Sub-Committee take action on the proposals and it was carried unanimously.

Published due to controversy over changing clubs. AAA's Ruling on first claim status.

From the rules (B.A.F. Rules for competition. Rule 5, First team status, para 9)

First claim members may seek approval to represent a club in open team competition forthwith:

- a) On the disbandment of the former club.
- b) If, after having ceased membership of a former club, and not being a member of any club for a period of at least nine months the athlete joins another club.

As can be seen , the "nine month " rule is not our Committee's decision but the AAA's

1992. Alterations to the standard award scheme. For those who were in the scheme last year – you have one year to claim from the date of the first race claimed for the award. For this year – the year will run from 1st January until the 31st December 1992.

PB's. 10k. 34:12, 10m. 1:00:40, 13.1m 1:17:02.

1992. Result of wheelchair referendum with a couple of exceptions the decision was unanimous no able bodied body athletes can take part in any club event for wheelchairs.

One of the people who voted for was our only wheelchair member Mike Keat as he considered he could beat an able bodied athlete any time.

(Fast forward 2006) Mike has been our only wheelchair athlete to date, he competed in all distances from track to marathon and was very successful.

26.4.1992. 1st Hampshire South Coast Marathon sponsored by Lederle Pharmaceuticals (local trade name for Cyanamid). Thanks to Gary Rees (GRR) also Ron Hill Enterprises and Lepin Sport. The initial costing was borne by a hundred pounds donation from each of the participating clubs and Running Plus. To keep it in the family the course was measured and certified by Andy Rogers Stubbington Green Runners and former GRR an AAA's accredited course measurer.

April 1992. Only official times will be accepted for the Standard Award timings.

May 1992. Working group set up consisting of Mike Payne, Gordon Knight and Brian Russell to look at the present Constitution and if required propose amendments for the AGM to discuss and vote upon.

AGM 5.10.1992.

The main business of the evening was the acceptance of the new club constitution and

discussions over whether or not we can save the 10k road race as numbers were dropping and costs rising also sponsor was proving hard to find.

The constitution was accepted.

It was decided to increase the fee for the next 10k and try to get a sponsor.

Any other business: It was decided to keep the monthly 5k for the foreseeable future.

1993. Mike Keats.

In recognition of his work for charity Michael Keats has been made an Honorary member of the club.

Wheelchair Athletes in our races.

After the 1991 decision to ban all able bodied athletes from the clubs wheelchair events, discussions were held with our Half Marathon sponsors Hampshire Prints and it was decided to send a letter to all the entrants in the next race seeking their views. To a man/lady they were opposed to our decision as they felt it discriminated against them not being allowed to compete with able bodied athletes. The Chairman (Mike Payne) then took the unprecedented decision to overturn the previous decision by way of the January 1993 newsletter and sought the views of the membership.

February 1993. Although the membership were in the main against able bodied athletes competing in wheelchairs it was decided to go with the view of the disabled athletes and allow able bodied entrants if they applied to compete.

Standard Awards.

It has been agreed that to be eligible for the Standard Award scheme medal. GRR must run in club colours and be representing the club. This is particularly relevant to those members who run for the services. The Standard Award rules changed to include this ruling.

From newsletter March 1993.

Terry Griffin.

Club members have been saddened by the recent untimely death of Terry Griffin, due to cancer.

When he joined the club Terry was already a leading figure in the sport of archery, having been British champion and had represented his country in international events.

A regular at training nights, Terry often turned out in the clubs colours at Todays Runners Cross Country meetings too.

Terry was a “gentle giant” whose amiable friendly nature will be greatly missed.

Our sincere condolences go out to his wife and family.
